Methodology ▸

This report is a health check, not a verdict. Every website has room to improve.

Disclaimer: This report presents the results of automated accessibility analysis and is provided free of charge, as-is, without warranty of any kind. Findings are generated by software, not by human accessibility experts, and may contain errors or omissions. Scores reflect algorithmic analysis under a published methodology open to public review—they are not legal determinations of compliance. Nothing in this report constitutes legal advice.
